Our speaker this month June 12, is Dale Pugh. Dale was raised in the St. Louis area. As a young man he was rebellious and got involved in the drug culture. After being arrested five times by age 17 he had a dramatic salvation experience when he called on the Lord from a jail cell. After being gloriously saved he received a call to the ministry.

Dale and his wife Kathy served as missionaries for seventeen years in Mexico. While raising three children they were involved in church planting, leadership training and marriage ministry. He is a graduate of International Bible College and Seminary and King's Way Missionary Institute.

Dale is now International Coordinator of World Indigenous Missions.

Dale is traveling internationally. He has taken the Gospel to over 25 countries on four continents. Besides writing books he has done extensive work on radio and in the press. We invite you to come and hear some missionary testimonies from the field.
