MICHAEL ANDERS aka Brother Boogie

Michael Anders is the Executive Director of an aftercare prison ministry that owns and operates C.O.N.S. Moving & Storage Company, which stands for Convicts Once, Now Saved, and which provides home moving, landscaping, and debris removal services. He was born in Omaha, Nebraska and served in the U. S. Army. Over the years, he became addicted to gambling and was driven to using armed robbery to steal money for betting on horse races.

In 1992, Mike was arrested for robbing two St. Louis banks. While in prison, he lost everything dear to him including his wife Alice. But then, he had an amazing encounter with a man named Jesus. He will tell how he went from "Thieving to Believing" and was restored to Alice. His story is one of great encouragement to many both locally and nationally, and can be found on the Internet under "Re-Entry Success Stories". You will be deeply touched by God's love and laugh out loud as you hear Michael's story.
