### CHRIS COOLEY

Chris Cooley has been ministering in song since he was able to hold a microphone all by himself. Growing up in a Pastor's home, Chris was raised with ministry as a way of life. He ministered within the church, assisting in church growth and administration, as well as teaching and leading in Worship. At the age of 19, Chris began traveling throughout the northern Midwest area of the country, performing in churches, convention centers and prisons.

In 1999, Chris began ministering as part of Preacher's Kids International, an organization founded by Christian Comedian, Chonda Pierce. In 2001, the Lord moved Chris to the Saint Louis area, where he continued in church administration, as well as the concert circuit. In 2002, Chris recorded his first album in Nashville, Tennessee, and began to cultivate his songwriting skills, as well as laying the foundational plans for establishing his own Ministry Organization, designed to blanket both singing and songwriting.

Chris continues to allow the Lord to grow his ministry through song, songwriting, and speaking engagements. He is currently working on a second album, and preparing to go national with the ministry the Lord has been grooming him for all of his life.

His testimony is an awesome one that shows the Mercy and Grace of God. Invite a friend and be blessed as Chris sings and ministers the compassionate Love of God.

John is the Principal Percussionist and Paula is the Principal Flutist at the annual international Masterworks Festival. John received his Diploma of Music from the Juilliard School, has served on the university faculties of UMSL, Missouri Baptist, and Maryville, and has performed solos at Carnegie Hall and the Kennedy Center in Washington D.C.
