Ron is the founder and president of Unash Electric Incorporated, an electrical contracting company, based in Arnold, Missouri, which has been serving both commercial and residential clients for nearly 30 years. He was raised in St. Louis and served four years in the United States Air Force. He worked several years for both Laclede Gas and Pennzoil before experiencing a dramatic touch from God, which changed his life. He started his own company, and he began telling people in prison about Jesus. Every week for over 20 years, Ron and his friend, Denny Dodson, have met to share Jesus in prison. (See Matthew 25:39,40) Ron met his dear wife, Nancy while he was in the Air Force, and they have been married now for 47 years. They have three kids, Scott, Steve, Anita who is married, and a granddaughter named Shelby. Ron is a talented woodworker and an avid tennis player. He has experienced many miracles in his life and is currently the president of the Clayton, Missouri, Chapter of Full Gospel Business Men's Fellowship International.
