SUE BANKS

Sue Banks has been experiencing dramatic healing miracles as well as other works of the Holy Spirit since 1970. She and her husband Bill have had a Christian publishing business for over 45 years, and have ministered in many different types of meetings. She intends to share Bill's miraculous healing from cancer - as well as the many amazing experiences which happened during that healing, and from then onward. Her hope is that her testimony can raise everyone's level of faith to experience God's power in whatever circumstances they find themselves.
