to join them for a time of Fellowship!

ZACH FAY

Zach is the founder and president of Kingdom Scene Endeavors, a company created to impact kids ages 6 to 12 in a culturally relevant and global manner. Kingdom Scene has launched a digital world of Christian faith, fun, and games for kids called Lightgliders, which can be visited at www.lightgliders.com. Lightgliders was designed to encourage Biblical faith, positive values, and meaningful conversations among kids and families.

Born in St. Louis, Zach graduated from John Burroughs School, received an undergraduate business degree from the University of North Carolina at Chapel Hill, and earned Master degrees in both divinity and business from Regent University. Before founding Kingdom Scene, he worked in management consulting at Deloitte Consulting in New York and in youth ministry at Greentree Community Church here in St. Louis. Zach lives in University City with his wife Margaret, who is a counselor at CrossRoads Counseling Center.

Zach heard the gospel at a young age through a series of meaningful conversations with his father. For Zach, life has been an adventure filled with amazing victories and humiliating failures. He has found that significance comes not from what we do but from what Jesus did at the cross. Come hear how the cross changes everything!
