ST. LOUIS CHAPTER DINNER MEETING

Second Saturday of the Month

February 9, 2008

FIRE MOUNTAIN (formerly Ryan's Steak House)

8925 Watson Road, Crestwood MO

Meeting 5:00 P.M. - 7:30 P.M.

DAN WARD

Dan Ward is the National Chaplain for a Nation wide Motorcycle Ministry called, "Road Riders for Jesus". He was born and raised in the Kansas City area spending as much time as possible on a motorcycle. After a short stint in the army, Dan returned to the Kansas City area where he met his wife of 31 years Janeal, who also had a love for motorcycles. From this union God has blessed him with two wonderful children. After some years Dan and Janeal sold their farm and stock and moved to the Saint Louis area, where Janeal went to work for Joyce Meyer ministry and Dan managed an RV park. Shortly after, they decided to go back to their first love "riding their motorcycle".

Come and hear how God has used and is still using their motorcycle ministry to reach many for Christ and the many places they have traveled and the many lives they have touched with the love of God from Christians and to those without a personal relationship with Jesus Christ across the country as they ride for Jesus.

Come believing and leave rejoicing. You will laugh, cry and rejoice as they share what God is doing as they ride for Jesus and how God is using their ministry to give hope, encouragement to all they come in contact with while riding for Jesus. This is a wonderful opportunity to invite those who love to ride a motorcycle. You can't afford to miss this meeting. See you there.

WILLIAMA. (TONY) LONG

Tony is a Financial Advisor with UBS Financial Services Inc. in Town & Country, Missouri. He grew up in Powder Springs, Georgia, a suburb of Atlanta, and earned a Bachelor's degree in Finance at Auburn University, where he was also the captain and starting linebacker for the football team. For nearly 20 years, Tony worked in sales for body building and fitness products companies and even started a company in that industry. It was when both his business and his marriage failed that Tony hit bottom and made the decision to let Jesus take over control of everything in his life.

What has happened since has been a source a great joy. Tony and his wife Marlene have two children, Christina and Nathan. He has been learning that success in this world is not based on wealth, status or accomplishments, but rather on being obedient in trying to honor the Lord by doing His will. Join us for another encouraging story of God's mercy.
