KEN CARROLL

Ken is a Lineman in the Transmission Department of the St. Louis based electric utility Ameren U.E.. He was born in Robertsville, Missouri, went to school in House Springs and then served six years in the United States Navy. Ken and his wife Kim have two children, Andrew and Lindsay. Andrew is currently serving in Iraq with the U.S. Air Force, and Lindsay is a senior at St. Charles High School.

Ken heard the gospel of Jesus Christ for the first time a week before he joined the Navy. As the word of God penetrated his heart over time, it led he and his wife to spend a faith building year serving the poor in the country of Haiti. Having been married for only one year, and then living together with no electricity, no running water, no TV and few others nearby who could speak English, Ken and Kim had to trust God and as a result experienced first hand the "Amazing Grace" written of by John Newton. Bring a friend and hear an amazing story.
