Sam Malek is the owner and operator of the **More Than Coffee Shop** located on Manchester Road in Ballwin, Missouri. The purpose of his business comes from his faith in Jesus and is to help challenged people "one cup at a time".

Sam was born in Cairo, Egypt, and was discarded in a trash can due to a premature birth and several disabilities. He was brought to America as child where he learned to walk and where he has experienced 29 medical operations. He is a humble man with a bold faith and a heart that tries to listen to the Lord daily.

This past fall, Sam and his coffee shop were the surprised recipients of an "Extreme Makeover Home Edition" event, which was televised in November. His selection was recommended by friends for whom he is a great inspiration.
