E. PAUL GONNELLA

Paul is the Kitchen Manager and Chef at the Dr. Jazz Restaurant, a family owned restaurant in Webster Groves, Missouri. He was born and raised in St. Louis, graduated from Webster Groves High School, and has worked in both the restaurant and the construction industry. Sadly, Paul experienced both addictions and fears which started at a very young age and which carried over into adulthood. He started drinking at nine, using drugs at twelve, attempted suicide more than once, and spent time in several jails, institutions, and prisons.

On July 14th, 2009, Paul surrendered his heart to the Lord Jesus Christ, and his life changed dramatically. The addictions and the fears are gone now, and he is on fire to tell others about the saving power of the Messiah Jesus. He is currently in the process of obtaining a minister's license and is pleased to share how he has been led out of the darkness into the LIGHT. Join us to hear a wonderful and recent story of transformation.
