to join them for a time of Fellowship!

EARLE FRANKE

Earle was born in St. Louis. He managed a National Food Store for fourteen years, and then went to work as vice president for fifteen years for a manufacturer's representative agency covering the Midwest with major lines of product, selling into wholesale and retail establishments. In 1982 he started his own company, Heart of America Sales, distributing tile products from manufacturers in the US, as well as importing product from around the world. His distribution center is currently located in Washington, MO.

Earle was raised in the Baptist church and accepted Christ at an early age, but did not realize the depth of God's love until the age of forty-two. The head knowledge and bible teaching were there; the heart knowledge was coming step by step. Today he is sold out to Christ with total commitment and obedience to God's plan in his life.
