**MICHAEL JARMAN**

The speaker for the St. Louis chapter special Mother's Day meeting is Michael Jarman. Michael will be sharing his personal testimony as to where God has brought him from the journey He has been taking him on. Mike says, it is always a blessing for Christian brothers and sisters to assemble themselves and count it an honor when and a privilege to share what God has put on his heart. Mike further states that when God looks at us, and what He sees is the end result, there are times in our lives when it looks like we are a mess, "But" aren't you glad that God sees the end result. I am so thankful God used people in the bible that did not have a perfect background. He could use someone with a speech problem to lead thousands upon thousands out of Egypt. He could use fishermen, tax collectors, prostitutes or murderers. God can use anyone for his purpose no matter where you come from or whatever you have done in your past. Join us for an exciting evening of fellowship. Invite a friend or two and they will not be disappointed.

See you on May 9, 2009 for this special Mother's Day meeting.
