MARK KUENKE

Our guest speaker for May 1, 2010 is Mark Kuenke, a native of St. Louis. Mark owns and operates a Cooling and Heating business after working for two water treatment companies in East St. Louis, Illinois. He is a father of two daughters Regina and Mellissa and soon to be a grandfather.

In 1975 Mark was healed from a nervous breakdown. Even though Mark did not acknowledge the Lord as his healer at that time, God used an elderly couple in 1988 that used to take his two children to Sunday School and Church. It was this influence that motivated Mark to visit the Webster Groves Church of God in 1988 and after hearing a message on the rapture and end times Mark decided to give his life to God. Webster Groves COG then moved to the South County area and was later renamed Twin Rivers Worship Center. Mark remains a member volunteering in the boys' ministry as a Royal Ranger Leader and has served as an Elisha for many years at this mega church where he still attends. Come and hear Mark's remarkable story as to how he came to know the Lord as his personal Savior and how God has been helping him in his Cooling and Heating business as he puts Him first in every job he works on. Invite a friend or two to this special onetime meeting on May 1st at Miss Sheri's cafeteria. See you there.
