BARBARA MURPHY

Our speaker for October monthly meeting is Barbara Murphy who grew up in a Lutheran Church and has loved the Lord from a very young age, but didn't get "Born Again" until she was in her late twenties off a tract that someone left at a fast food restaurant. A few weeks later she was baptized in the Holy Spirit in her bedroom. Barbara was going through some hard times in her life, but knew that God was able to restore hope through it all.

A few years later Barbara was diagnosed with "clear cell carcinoma" a very rare fast cancer. The doctors gave her 3-6 months to live. During this time the Lord spoke to her heart to do everything she could in the natural realm and He would take care of the rest, because He had a job for her to do. That has been some 23 years ago. Today, God has gifted Barbara with a salvation and healing ministry. God has opened many doors for ministry through the St. Louis Dream Center. Come and be blessed. You will not leave this meeting the same way you came in Jesus Name. God has a miracle with your name written on it, he is no respecter of persons, what He did for Barbara He can also do for you!
