DAN AND BETSY KLOECKENER

Dan has been a cosmetologist for 29 years. He went to University City High School, where he ran track, played football and played hockey. He loves to hunt, fish and spend time on a farm in Steelville, Missouri, enjoying the wonder and awe of God's creation. As a young man, he struggled with learning disabilities and suffered through an addiction to drugs. He credits his parents for teaching him how to pray, and is thankful to God for His faithfulness and for bringing his wife, Betsy, into his life at just the right time.

Betsy is a talented song writer, pianist and church worship leader, and started singing professionally when she was 17 years old. She went to Cleveland High School where she was a swimmer and a dancer. Betsy and Dan have two sons, and it was after the birth of their second son that Betsy suffered an almost fatal experience with post partum depression. She credits the love of Jesus Christ, which was shared by Dan and her cousins, for her survival and for providing a magnificent hope that never ends.
